ABOUT US

Tapestry Projects Pty Ltd aims to bring a fresh perspective, injecting innovation and a plug-and-play approach to helping businesses meet their operational and capital investment projects.

Our pursuit is clear - we aim to bridge the gap between efficiency and new, efficient ways of working in the built environment. Tapestry Projects is dedicated to providing a seamless and collaborative experience, ensuring that our clients' projects are not only completed with exceptional quality but also tailored to meet their specific targets.

In a rapidly evolving market, we recognize the need for a new approach that goes beyond traditional methods. Our team is driven by a passion for transformative solutions, and we are eager to contribute to the success of our clients by fostering a collaborative environment that enhances project outcomes.

OUR VISION

Our vision at Tapestry Projects is to be a progressive partner in the built environment, setting new standards for collaboration and project excellence. We aspire to foster a dynamic and efficient ecosystem that goes beyond traditional boundaries and one that works for our business and clients. By championing a plug-and-play collaborative effort, we aim to simplify complexities, making project execution smoother and more responsive to the evolving needs of our clients.

At the core of our vision, we strive to be the go-to partner for businesses seeking not just a service provider but a partner that delivers quality, is reliable and professional and keeps the “main thing” at the fore.

OUR MISSION

Catalyzing Collaborative Excellence

We are committed to creating an environment where collaboration is not just encouraged but ingrained in every aspect of our operations. By facilitating seamless partnerships and open communication, we strive to enhance the collective intelligence of teams and drive projects towards unparalleled success.

Delivering Exceptional Value

Our mission extends beyond project completion. We aim to deliver exceptional value to our clients by not only meeting expectations but making sure profitability and sustainability can be achieved. Through a focus on quality, we strive to be a trusted partner that consistently adds value to the projects we are entrusted to by our clients.

OUR CORE VALUES

Conscientiousness

- thorough, paying attention to detail and striving for excellence

Innovation

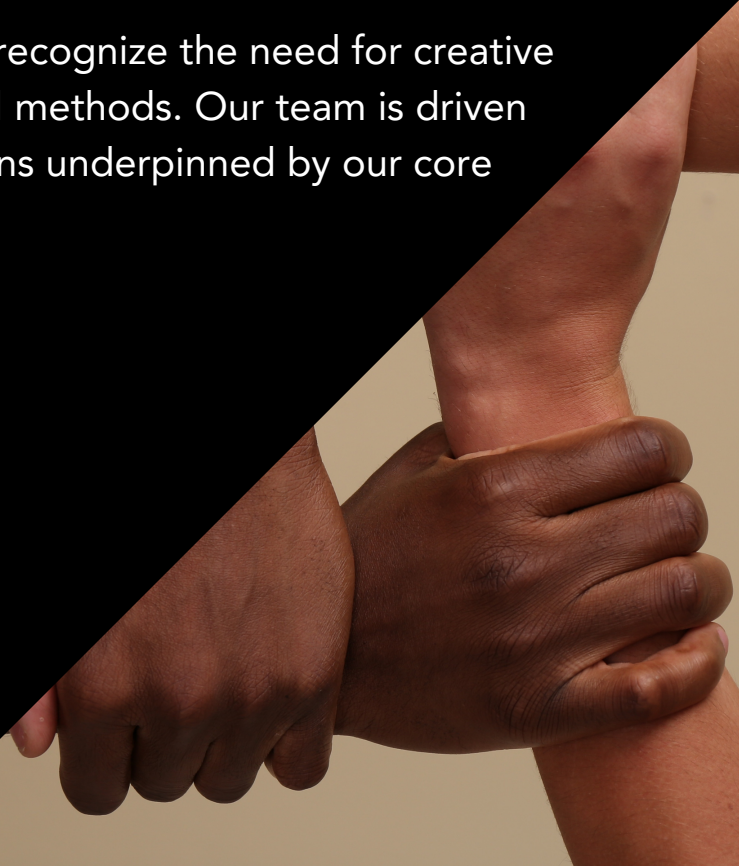

- encourage creativity, embrace change and seek new and better ways of working.

Integrity

- perform with honesty and transparency

OUR COMMITMENT

In a rapidly evolving environment, we recognize the need for creative approaches that go beyond traditional methods. Our team is driven by a passion for transformative solutions underpinned by our core values.

OUR SERVICES OVERVIEW

Construction Management

Our construction management services involve overseeing and coordinating all the various aspects of a construction project. We will facilitate between the Client, design professionals, and the on-site construction team. This includes the resolution of issues that may be related to cost control, risk management, quality assurance, and communication to ensure the project is delivered successfully, on time, and within budget.

Project Management

Our project management services involve defining project goals, creating schedules, allocating resources, and managing tasks to achieve specific objectives within the triple constraint for projects. As Project managers we will play a crucial role in coordinating teams, mitigating risks, solving problems, and ensuring that projects are delivered successfully and best practice applied.

Commercial Management

Project cost management involves planning, estimating, budgeting, and controlling costs within a project. It is a crucial aspect of project management aimed at ensuring that a project is completed within its approved budget. We provide effective project cost management that will help our clients prevent cost overruns, ensure optimal resource allocation, and contribute to the successful completion of a project within set out financial constraints.

Built Asset Management

Built asset management services involves the systematic process of managing physical assets throughout their lifecycle, from acquisition to disposal, to maximize their value and optimize their performance. We will work with our clients to outline strategic goals and devise plans for optimization, sustainability, cost minimization and risk mitigation. Through collaboration with various departments and stakeholders, together with sound technical support we will ensure return on investment

OUR SERVICES

At Tapestry Projects, our commitment to excellence is reflected in the deliverables we provide to our clients, as specialists, ensuring quality, and successful execution of projects.

Our key deliverables include:

- **Client representation**
 - Advocating for our client's interests on their projects throughout the project lifecycle, providing sound and reputable advice to meet specified objectives.
- **Construction management and supervision**
 - Managing project schedule and risks to ensure smooth project operations by resolving issues, communicating with stakeholders and quality assurance throughout execution and post completion of the project.
- **Contracting**
 - Executing construction work within a specified scope, timeframe and budget from inception to completion.
- **Project management**
 - Overseeing aspects of the project from initiation to completion by coordinating teams, mitigating risks, solving problems to ensure successful project delivery.
- **Commercial management**
 - Planning, estimating and controlling costs within a project to prevent cost overruns and optimal resource allocation.
- **Built asset management & technical support**
 - Providing guidance and expertise related to the technical aspects of built assets and construction projects, including methods, materials, equipment and compliance with industry standards and regulations.

By delivering the mentioned services, Tapestry Projects ensures that our clients receive not only completed projects but a wealth of information and support that enhances the overall success and sustainability of the projects and initiatives we undertake.

OUR VALUE TO YOU

- 01** Resourceful and strategic partnerships
- 02** Accredited professionals
- 03** Adaptable and collaborative project delivery
- 04** Client-centric approach
- 05** Reliable post completion support

By consistently delivering on these aspects, we offer meaningful value to our clients, positioning Tapestry Projects as a reliable and trusted partner in our business.
